Purpose of the proposal and its anticipated effects, including any changes in existing rules: The proposed amendments to chapter 315-04 WAC will provide clear and consistent direction for applicants, licensees, and staff. These revisions include eliminating language that is no longer applicable, aligning the rules with current practices, and clarifying wording that may be confusing to applicants, licensees, and the public.

Reasons supporting proposal: The current language in chapter 315-04 WAC contains some outdated practices and language that has not been updated in a number of years. The proposed changes will eliminate potential confusion among applicants, licensees and staff, as well as improve the licensing process.
